Please note that deletion of the user account does not mean that all the Recipient’s personal data will be deleted from the Company’s data processing system. As specified in the Company’s Privacy Policy (available on the Company’s website, after termination of the contractual relationship between the Company and the customer, the Company may continue to store (or otherwise process) certain personal data if there is an appropriate legal basis and purpose for personal data processing (for instance, in certain cases the retention

period of specific personal data is established by applicable laws (for instance, the Law on Accounting, Law on the Prevention of Money Laundering and Terrorism Financing, etc.), in other cases storage of certain personal data is necessary for protection of Company's rights and legal interests in the event of a dispute, etc.).

In any case, the Company will respect the principles of personal data protection stipulated in Republic Act 10173 (Data Privacy Act of 2012) and terminate the personal data processing as soon as the legal basis and the purpose of personal data processing ceases to exist, following which Recipient's personal data will be deleted in a secure manner or made irreversibly anonymous.

The Applicant hereby requests the Company to terminate the Credit Line Agreement concluded with the Applicant ("Agreement") and to delete the Applicant's user account created on the Company's website.
